Subject: BLM Ethics Standards

I continue to be proud of California BLM's accomplishments and the workforce that achieves those accomplishments. Your professionalism and dedication are key to both the agencies and your personal success.

The attached WO-IB summarizes the BLM's ethical standards. Each year, BLM articulates these standards as a reminder of their importance in our public service lives and work. Your continued adherence to these standards is essential.

Questions on the standards may be addressed to your supervisor who will assist you in getting guidance from the State Office Employee Relations Staff.
